

## **MOBILE STUDENT TICKETING**

Students:

If you want take advantage of the new mobile ticket option for Saturday's football game, follow these steps to take a screenshot of your ticket.

1. Once you claim your student ticket on game week – log into your account on your phone, select 'Your Tickets', then 'Print' to have your ticket displayed on the phone screen.
2. Next, take a screenshot of that image and save it on your phone so that you can show it with your student ID on Saturday at Milan Puskar Stadium.
3. Bring your student ID and mobile ticket image to the East gate of the stadium 1.5 hours before kickoff.
4. Your mobile ticket (barcode) will be scanned at the student gate after you show your ID.

Following these steps will help to avoid any connectivity issues you could have on game day! Remember, if you do not have your ticket AND student ID, you will not be admitted to the game.
