

Eligibility

Student eligibility is updated nightly based on the actions applied to the student's record the previous day. Students are eligible for tickets if they meet the following criteria:

- * Are enrolled for the current term in on-campus courses**
- * Do not have a judicial hold**
- * Have paid student fees**

NOTE: Students taking only distance education classes are not eligible for tickets because the university cannot charge them the corresponding fees. Distance Education students also do not have the option of paying the required on-campus student fees as a separate charge.
