

## **Student Appeals Process**

In the event that you believe that you have been wrongfully penalized, Student Government has been authorized to hear appeals of penalty points. All appeals must be filed by 11:00pm within 4 days of the game. The Campus Community Committee of the Student Senate will review appeals, under the direction of the Student Senate President. If you feel the point was wrongly deducted you may file an appeal by sending an email to [ncsuathleticscommission@gmail.com](mailto:ncsuathleticscommission@gmail.com). In your email include your explanation and your unity ID as well as any other relevant information. In subject line put "ticket appeal". Your appeal does not guarantee reinstatement of priority points and the campus community committee reserves the right to ask for documentation supporting your explanation.
