* Bags or backpacks with multiple pockets or zippers are prohibited in Scott Stadium and John Paul Jones Arena for athletics events due to the time required to inspect each area of the bag. Tote bags, purses, and sport bags are permitted as long as they do not contain multiple pockets or zippers. All bags are subject to inspection by stadium personnel.

In order to expedite entrance into the venue, it is recommended fans not bring bags to games and to arrive early at the stadium's gates. Gates open two hours before kickoff of each home football game and 90 minutes prior to tip off of each basketball game.

Security Checks

Admission is subject to inspection and search for prohibited items. All persons entering the stadium will be subject to a visual search by stadium personnel before entering the gates. Event staff will also examine the contents of personal handbags. Guests will be asked to open their bags providing event staff the opportunity to observe the contents. If an item needs to be removed so the event staff member can see the remaining items in the bag, the guest will be asked to remove the item. The same procedure will be followed for items in a guest's pockets. The guest will be asked to remove the item so the staff member can observe the pocket's contents. If a guest is wearing a jacket, he/she will be asked to unzip the jacket and hold it open so that event staff can visually observe inside the jacket.

Banners, Signs and Flags

Banners, signs and flags are allowed in athletics venues provided they do not impede another guest's view of the competition, cover any venue signage, and/or are not attached to the facility. Banners, signs, and flags on poles or sticks are prohibited. Athletics Event Management reserves the right to remove any banner, sign, or flag that is in violation of the policy.

Camping Out

Please note that camping out is prohibited at all Virginia Athletics facilities.
